September 2026

Dear Parents/Carers,

The My Ed App is our main method of communication to parents, we politely request that at least one parent has access to the My Ed app.

At Fir Bank Primary School, we want you to feel as much a part of your child's education as possible and with the increased use of smart phone technology we want to make the best use of it.

MyEd is the free parent app that gives you a multitude of communication and information features to stay in touch with what is going on at school. You will also see that we update and change the information in the app as the school year moves along.

The **MyEd** app is available now for both Apple iOS and Android devices and can be found on either the Apple App Store or on Google Play by searching for **MyEd**. Look out around school for more details and to scan the QR code.

Once you have installed and opened **MyEd**, search for Fir Bank Primary School and follow the simple instructions to identify yourself. The app will be updated with your child's information 24-48 hours after installation.

Please make sure you enable notifications, so that the **MyEd** app can alert you to any messages that we send. There is no charge for the messages you send to us via the app.

We hope you enjoy using the app and find it a useful source of information. Please do not hesitate to contact the school office if you require any further information.

Yours sincerely,

Rachael McLaughlin
Head Teacher
