It has been another fantastic week in school! The children have settled brilliantly into their routines. We were delighted to announce our Year 6 Prefects in assembly this morning. We were incredibly impressed by the confidence, maturity and responsibility shown by all applicants. Our new prefects have already begun carrying out their duties around school and are proving to be excellent role models for our younger classes.

Our extra-curricular clubs have officially begun this week and it has been wonderful to see so many children taking part. From sports clubs and creative activities to music and games, there is something for everyone to enjoy. Participation in clubs helps children develop new skills, make friends and build confidence. Thank you to our staff who give up their time to run these opportunities.

A big well done to all of our children for demonstrating our school values this week. We are very proud of how they have approached their learning and supported one another.

A reminder next Friday is MacMillan Coffee Morning. We hope you can come along and join us whilst enjoying and cup of coffee/tea, a cake and a chat whilst also raising money for MacMillan Cancer Support.
