As we come to the end of another busy and successful week, I would like to take this opportunity to say well done to all of our children. Their hard work, enthusiasm and positive attitudes towards learning has been wonderful to see. We are incredibly proud of how they continue to demonstrate our school values every day.

A huge thank you to all the families who attended our Macmillan Coffee Morning this week. It was lovely to see so many parents, carers and members of our school community coming together to support such an important cause. Your generosity and support are greatly appreciated, and events like this help make our school community so special.

Our Year 1 children and Early Years thoroughly enjoyed another fantastic Wellie Wednesday session this week. From investigating nature to developing teamwork and problem-solving skills, the children showed great curiosity and enthusiasm throughout the session. We are so proud of the confidence and resilience they displayed.

As we move towards another exciting week, please continue to check communications from school for any important updates and upcoming events.
